Dear Mr. Gryder:

As the new year begins, I want to take this opportunity to thank you for your service as a member of the Lake Cities Chamber of Commerce Board of Directors.

Even though Texas is faring better than most states in this economy, we are not without our obstacles. Local businesses need our support now more than ever, and your leadership will be especially important as we work to ensure the continued economic success of our region. North Texas has many blessings, but none greater than individuals like you who are willing to give of their time, energy and expertise on behalf of our community. As a fellow business person, I just wanted to say how grateful I am for your willingness to serve in this capacity.

Please do not hesitate to contact me if I can ever be of assistance. Together we can overcome the challenges ahead!

Very truly yours,
